

0.02 mm - 0.04 mm

A micrograph showing a textured surface with a central dark, irregular region. A red dimension line with arrows at both ends is drawn across the middle of the image, indicating a width. The text '0.02 mm - 0.04 mm' is written in red above the line. The surface texture consists of small, rounded features, possibly pores or grains, in a light yellowish-green color.
